Serving Central Pennsylvania

Extending the Classroom Beyond the School Campus

Stone House Farm & Inn and Newport, West Perry, Greenwood and Susquenita School Districts have partnered to provide **field-based instruction opportunities** for teachers and students at the farm in Green Park.

Project Overview

The farm site will provide general education students the opportunity for field experiences to foster career awareness to develop the following essential workplace skills; teamwork, problem solving, and critical thinking.

Teachers from all Perry County School Districts will have the opportunity to

provide lab experiences as an extension of their classroom that pertain to their content area, adhere to school district curriculum standards, and connect students with practical experiences. Opportunities to study math, science, art, and history for all grade levels and student populations are available in a real-world setting.

Lesson Planning

This grant allows for teacher innovation by funding necessary supplemental materials for student instruction. Develop a lesson plan that is best delivered in a real world setting (Stone House Farm & Inn) or helps students understand the application of classroom based lessons. There are no constraints on curriculum content.

Apply for Funding

This project is possible through grant funds from the Perry County Community Foundation, a regional foundation of The Foundation for Enhancing Communities.

20 Teachers Funded

Up to five teachers from each school district will be awarded \$125 during the grant period to support needed materials and supplies for the lesson plan.

All Districts, All Grade Levels

This opportunity is open to ALL Perry County School Districts, at ANY grade level.

Project Timeline

All projects must be completed between September 10, 2021—May 30, 2022.
