- * If District Custodial, Cafeteria, and Technology Staff are not scheduled to be on duty, additional fees will be assessed.
 - ** An additional \$50.00 per hour fee will be applied for every standard of light requested beyond the single standard already assessed within the fee schedule above.
1. The above fees are hourly rates. Facility Use Fees will be calculated inclusive of set up and teardown timeframes.
 2. Classes B-E will also be subject to all expenses incurred by the school district over and above rental charges for said facility used, i.e, custodial charges, cafeteria charges, and tech charges (as deemed necessary - determined by the District).
 3. The cafeteria fee does not include the use of the kitchen. School district cafeteria personnel must be present if a kitchen is to be used. Appropriate fees will be assessed for kitchen personnel. The group/organization will be responsible for appropriate personnel salary and an additional kitchen fee of \$200.00 above the personnel cost
 4. All Stadium rentals are required AT LEAST two (2) security personnel, and two (2) custodial/maintenance personnel at their current hourly rate. Total number of personnel required for each event will be determined by the District administration based on the individual event.
