

SUSQUENITA SCHOOL DISTRICT

Release and Waiver

WHEREAS, it is the policy of the Susquenita School District that all student participants in athletic related or extracurricular school activities, whether interscholastic or intramural, must be covered by either personal accident insurance and/or school sponsored accident insurance before participating in said activity; and

WHEREAS, _____, a member of the student body of the Susquenita School District, intends to participate during the school year 2016 - 2017 in

_____ and

WHEREAS, accident insurance on said student is carried with

Insurance Company Name

under Policy No. _____, which is intended to insure said student against any loss resulting from injury related to his or her participation in said school activity.

NOW THEREFORE, we the undersigned, in consideration of participating in said school activity, do hereby release the Susquenita School District from any and all liability for any injury of any nature resulting from or related to the school activity hereinbefore mentioned, including but not limited to, the actual hospital and medical expenses incurred in participation or the practice or preparation, therefore, or in transportation to or from such activity as authorized by Section 511(f) of the School Code of 1949; do hereby waive all claims for damage or loss resulting from or related to said school activity that may accrue against the Susquenita School District, its officers, agents and/or employee; and do voluntarily agree to assume any personal risk involved in or related to said student's participation in said school activity.
